Spring has finally sprung and we have lots of exciting events happening in Gainesville and at Peach State Bank during April. Be sure to check out the community calendar below.

April 6th marks the 75th anniversary of the tornado that came through Gainesville and destroyed much of the downtown square. The Northeast Georgia History Center has several commemorative events scheduled. How beautiful our downtown looks today - 75 years later.

And to add to our beautiful downtown, "Deep South Dogs" will open for business on Monday, April 18th in our downtown Main Street Market. They will offer a wide variety of "dogs" from the most simple to a Chicago style "gourmet dog". For a sneak peak, you can come by Peach State Bank for lunch on Friday, April 15th and have a "dog" on us. We will set up outside but if the weather is not cooperating, we will just move to our 3rd floor. Any donations that you would like to make will go directly to the following non-profit agencies: The Children's Center for Hope and Healing, Edmondson Telford Center for Children, Family TIES-Gainesville and CASA Hall-Dawson. Please mark your calendar and plan to join us that day for lunch between 11:00 and 2:00.

HAPPY ANNIVERSARY! PEACH STATE BANK!

Last, but definitely not least, April 27th is our 6 year anniversary and April is "Community Banking Month". This is a time to celebrate the spirit of independent banking. Communities just like ours have grown and prospered because of small community banks investing in the lives of families and the growth of local businesses. The economy in the last few years has affected the lives of most American families and touched most businesses in our nation. Peach State has weathered the storm and emerged strong and secure in our service to our customers. In short, we're here to stay. Peach State is YOUR true community bank and we appreciate YOU!
