

August 2011

It's hard to believe that it is "back to school" time already - all students, city and county, start back on Monday, August 8th. This has been a very fast (and hot) summer!

To show how much we appreciate our schools and teachers we have created an educational package designed especially for them. If you are a teacher, or work in the school system in any area, you can contact us for more information. In surveying all other local banks, this is the most attractive package on the market. We are very excited to offer this to our educators.

Watch for more exciting news on our website
at www.peachstatebank.com!
