

Will the Groundhog see his shadow on February 2nd? Have you made plans with your sweetheart for Valentine's Day? Did you know that 2012 is a "leap year"?

Peach State has had some exciting days lately with our successful Capital Campaign coming to a close on January 31st. We ended the campaign well over \$1 million dollars above our goal and are well positioned for future growth with a strong and secure capital base. We are excited about our bank's future and the contribution that we can make to this community.

Be sure to check out the article below on Peach State's Relay for Life event this year.

Remember that Peach State will be closed on Monday, February 20th to observe Presidents' Day. Also, remember that we offer the best products and services in town - hand's down!
