

JULY 2010

## Welcome to Peach State Bank & Trust

Dear Susan,

Happy

We hope you are having a great summer and staying cool on these hot days. In appreciation and to say "thank you" to our most valuable asset - you, our customers, we will be having "Customer Appreciation Day" on Friday, July 2nd. We'll have a banner on our front balcony to remind you, so stop by and have some peach ice cream with us in the afternoon!

Our Relay for Life event was a great success and a lot of fun this year. We raised money for a wonderful cause and enjoyed a lot of good fellowship at the same time. Thanks to all who came out and a special thanks to Jamie Robertson and Donna Deyton for all their hard work.

**OVERDRAFT FEES - IT'S YOUR CHOICE!**

On July 1, 2010, new Federal Reserve rules give consumers additional options regarding overdrafts in connection with your one time debit card transactions and ATM withdrawals. As your bank we must offer you the ability to make decisions about Overdraft Privilege services for transactions made with your debit or ATM card.

An overdraft can occur when you make a debit card purchase or an ATM withdrawal, but don't have enough money in your account to pay for it. For a fee, the bank's Overdraft Privilege service will cover you when you become overdrawn to a certain amount based on the type of account you have.. This fee applies to each item that overdraws your account.

You should have received in the mail an opt-in notice with more details of our Overdraft Privilege services. **Please choose if you want Peach State Bank & Trust to authorize and pay overdrafts on your one time debit card transactions and ATM withdrawals up to the limit determined by your account type.**

**If we receive no response from you as of August 15, 2010 the Overdraft Privilege services for one time debit card transactions and ATM withdrawals will terminate, and you will no longer have availability to use the Overdraft Privilege services for one time debit card transactions and ATM withdrawals.**
