

June 2010

Welcome to Peach State Bank & Trust

Dear Susan,

The hot days of summer are definitely here! We hope that you will be joining us on Friday night, June 4th at Road Atlanta for the Relay for Life event. This is a great community event and all proceeds raised go directly to The American Cancer Society. On Saturday, June 5th, we will be drawing to see who will be the lucky winner of the Zac Brown/Kid Rock Guitar!

Also, be sure to check out our featured article this month. We are taking a day trip to Atlanta on Tuesday, August 17th. We will have a hop-on tour bus guide who will share lots of interesting facts and stories that you have never heard about Atlanta. Our ending point of the bus tour will be The Atlanta Botanical, where we will have lunch and tour the newest addition of the Gardens.

Last but not least, we have another reminder about our banking hours changing effective July 1st. We hope this will better serve our customers, since our drive thru will then stay open until 6:00 on Fridays.

Moving on up!

We had three exciting promotions at Peach State last month:

Sarah Blalock was named Compliance Officer. Sarah was the first "official" employee of Peach State Bank and was instrumental in helping with the application process to get our bank started. She has been in banking for 14 years.

Tracie Webb was promoted to Vice President. Tracie is currently our Remote Deposit Officer and has taken over Human Resources responsibilities along with Business

How would you like to "get away for a day" ?

Come join us on Tuesday, August 17th and do just that! We will leave Gainesville via tour bus at 8:30 a.m. and head to Atlanta. You'll see a "running history of Atlanta from it's beginnings as a railroad town to it's rise to prominence as the capital of the New South". The tour includes a tour bus ride around downtown including many well known landmarks and a drive through the exquisite Buckhead Residential District where many of Atlanta's "rich and famous" live.

We will end the morning at The Atlanta Botanical Garden, where we will have lunch. Due to the new 600 feet *Canopy Walk*, one acre *Edible Garden* and tranquil *Cascades Garden*, Atlanta Botanical has been named one of the top ten happenings not to be missed in 2010.

The Grand Opening in May 2010 of the Canopy Walk, Edible Garden and Cascades Garden marked the completion of an expansion project that doubled the size of the Garden. From 40

Development. Tracie has over 16 years experience in the banking industry.
