

June 2011

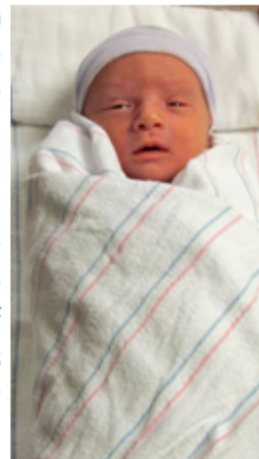

In this issue

[June Community Calendar](#)

We have a wonderful new addition to our Peach State family! On Wednesday, May 25th our Head Teller, Steven Pettit and his wife Fancy, brought Asher Pettit into the world weighing 7 lbs. 10 oz. Be sure to congratulate Steven when you stop by the bank!

The American Cancer Society's [Relay for Life](#) event is this Friday, June 3rd and we hope you will join us at our tent site. We appreciate everyone who came to our Relay cookout on May 13th, but most of all we appreciate our customers! Our employees love this community, and we strive to offer that hometown feel to our customers every day.

"Top Businesses Don't Settle For Less Than Top Banking"

"As a family business, Fieldale Farms knows a thing or two about the value of relationships; about quality; and about responsiveness to those we serve..."

More than a half-century ago, Fieldale Farms began business in the northeast Georgia countryside. True to its roots, it has remained a family business with all of its operations and headquarters located within a 35-mile radius of our community. Over the course of these many years, it has grown to become one of the largest independent poultry producers in the world and one of the largest employers in Gainesville/Hall County.

"...As a result, we expect the same from those upon whom we rely for professional services. We chose to bank with Peach State Bank because they share many of the values we embrace personally and corporately..."

Today, Fieldale Farms continues to prosper, and we're proud to be their bank of choice. We understand Fieldale Farms' commitment to excellence and their sense of community. After all, that's our mission, too.
