## Peach State Bank & Trust

Dear Susan,

What beautiful fall colors are all around us these days! It's hard to believe that Thanksgiving is just around the corner and the stores are already stocking up for Christmas! This is always the time of year to stop and really think about what we are thankful for. Peach State Bank & Trust is very thankful for our many wonderful customers every day throughout the year. To show you, we hope you will stop by the bank on Friday, November 5th for Customer Appreciation Day.

Also, please help us welcome the newest addition to our Peach State family: Joan Stokes. She came on board with us on Monday, October 18th and is a full time teller. Joan is married with two children, a native of Gainesville and has come to us with ten years of teller experience. Be sure to stop and say hello to her the next time you are in the bank.

We have given our Facebook page a "facelift", so if you have not signed up to be our friend, please do so today. We look forward to "chatting" and "tweeting" with you soon!

### *Your Information is safe with us!*

Peach State uses a combination of safeguards to protect your information. All employees go through training and we have strict privacy policies in place, security standards and encryption and fraud detection software. Whenever you go to our website, you will notice that the email address changes from http:// to https:// whenever you click onto online banking. This "s" indicates that you are now in a "secure" site.

For more information on your privacy and how Peach State keeps your information safe; go to [www.peachstatebank.com](http://www.peachstatebank.com), click on "Personal/Business Login". There you will find a link on Questions about Security and Privacy.
